**The TCO (Total Cost of Ownership) shown per category is an indicative estimate, based on the most common model (the so-called feature model) within that category. This figure is intended as a guideline and may differ from the actual TCO of an individual vehicle.

***The stated insurance cost includes the civil liability premium (including 27.45% tax) and legal assistance (including 17.10% tax), and is calculated based on the reference model within the chosen category. As the assigned vehicle may differ from the reference model, the actual insurance cost may vary.

In addition to the necessary insurance coverages, a service covering vehicle damage is also included in our offer.
